PURPOSE:

Some reasons Ka 'Umeke has implemented this policy are:

- It is easier for staff to quickly identify Ka 'Umeke Kā'eo students when they are wearing one of our shirts. This is especially helpful during emergencies and when travelling.
- Wearing our Ka 'Umeke attire creates good school unity and spirit.
- For those students whose families may have a hard time affording school clothes, Ka 'Umeke shirts are affordable.
- When we are all wearing our school attire, there is less emphasis on who is wearing "fancy" clothes and more emphasis on learning.

DEFINITIONS:
