

Ka'Umeke Kā'eo

Hawaiian Immersion Public Charter School

I N K E A U K A H A

Hō'ike Kīpaepae 2019

Aloha e ka 'ohana 'Umeke Ka'eo,

It's that time of year when your haumana will showcase the culmination of their hula education on the pā hula. This year we are expanding the kino lau (hula foliage) that they will be adorned with. In the presentation, they will be using a lei po'o, a lei 'ā'ī, and kūpe'e to bind their years worth of learning. Below is the list of items needed and, a picture of the correct fern that needs to be picked by each 'ohana. **PLEASE PICK ONLY THE NATIVE FERN.** An example of kupukupu can be found at Hale Lamalama parking lot in the māla. This year, we are also encouraging families to begin planting their own hula kupukupu garden with the haumāna to help expand our kupukupu quantities for cultural sustainability. Along with the lei list, is a list of vendors who sell kupukupu. We will also be giving away free kupukupu plants at the hō'ike to our families for planting.

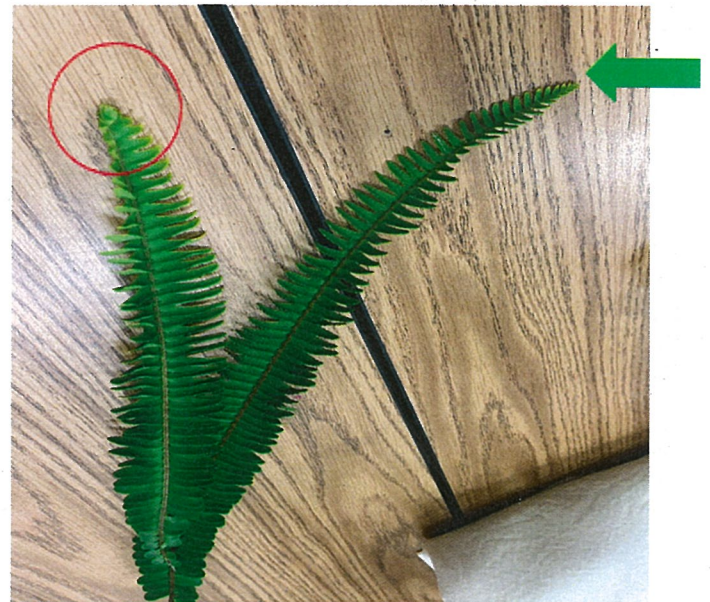

Haumāna List:

Please bring items to school:

FERN EXAMPLE:

Not Ready | Ready

<u>Lei po'o</u>	Kaikamāhine	6 kupukupu lō'ihī
	Keikikāne	12 kupukupu lō'ihī
