MANA'O O KĒIA PULE

'A'OHE U'I HELE WALE O KOHALA

No youth of Kohala goes empty-handed.

Said in praise of people who do not go anywhere without a gift or a helping hand. The saying originated at Honomaka'u in Kohala. The young people of that locality, when on a journey, often went as far as Kapua before resting. Here, they made lei to adorn themselves and carry along with them. Another version is that no Kohala person goes unprepared for any emergency.

ENROLLMENT

New Haumāna

Ka 'Umeke Kā'eo provides a well-rounded academic program as a culturally based indigenous Hawaiian Language Immersion School. Our school prepares students to participate in and contribute to the local and larger communities. We provide experiential-based Hawaiian learning environments in partnership with our haumāna and 'ohana. We are currently accepting applications for the 2021-2022 school year. Our next orientation for new haumāna will be held virtually via Zoom, May 4th, at 4:30p.m. Interested 'ohana will need to call our Hale Lamalama office (933-3482) to RSVP and to receive the zoom link. Mahalo!
